APPOINTMENTS

All consultations and procedures are on an appointment basis. Reception staff must be notified of urgency. Appointments are made at 10-15 minute intervals. Longer consultation or procedure times are available if required. Please notify the receptionist when making your appointment. If more than one family member is to be seen by the doctor, please advise the receptionist at time of booking so an additional appointment can be booked. Emergency or longer consultations could delay your appointment. For continuity of care, patients are encouraged to make appointments with the usual GP whenever available.

PATIENT RECALL

Patients are offered enrolment in clinical systems for specific illnesses e.g. diabetes, asthma etc. all patients will be recalled to discuss any abnormal results. However, it is the responsibility of the patient to give correct and current contact details.

HOME VISITS

We ask patients to make every effort to attend the surgery for consultations, however we will visit our regular patients at home wherever possible if their condition prevents them from coming to the surgery and if they live within a reasonable distance to the surgery.

TEST RESULTS

Due to their personal nature, no results will be discussed over the phone (with exception of INR results for patients on anticoagulants). Patients are requested to make a follow up appointment with their doctor.
